Costume Contests

Wear your favorite costumes and you could win an award. No entry form or presentation is needed. The Judge(s) will be looking for you.

Friday, during the match, the judge(s) will be walking around and selecting the following four types of costumes to award. The first two categories will be awarded for the type of costumes that go with guns or horses (Riding, Hunting, B-Western, Military, Cowboy or Cowgirl, Mountain Man...). The Victorian categories are not strictly related to shooting (Lady, Townie, Banker, Soiled Dove, Swimwear...).

1. Best Shooting Costume - Man
2. Best Shooting Costume - Woman
3. Best Victorian Day Costume - Man
4. Best Victorian Day Costume - Woman

Saturday night we will select the following six types of costumes for awards. The Judges' Choice awards may be from a costume you wore during either day or Saturday night.

1. Best Evening Costume - Couple
2. Best Evening Costume - Man
3. Best Evening Costume - Woman
4. Best Soiled Dove/Madame Costume
5. Judges' Choice Costume - Man
6. Judges' Choice Costume - Woman

Also, there will be two cards in your shooters' packets for you to select the man and woman who you felt consistently, during the entire match, dressed in a manner that shows they respect and honor the costuming aspect of our sport. Please turn these in to Allie Mo on Saturday evening.

1. Shooter's Choice Best Dressed - Man
2. Shooter's Choice Best Dressed - Woman
